

VOTE O'KEEFFE

**For Hartpury Clubs and Societies
Officer!**

Wanted to join some **societies** at Hartpury, but were **disappointed** by how **few options** there were?

Then vote **OSCAR O'KEEFFE** for your **Clubs and Societies Officer!**

WHAT I WILL DO IF I'M ELECTED:

MORE SPORTS CLUBS – Want to play a sport for fun, not professionally? I will support new clubs for people who want to play sports without having to get up at 6am for training!

SOCIETIES FOR ALL – Support the fundraising of new societies to make them accessible to all students, not just those who can afford expensive membership fees.

Hartpury needs sports clubs!

While Hartpury has several academies for sport, these are demanding commitments directed at those pursuing sport as a career.

If I'm elected, I'll work to support the creation of casual sports clubs/societies for students who want to be active and play sports in their free time.

Accessible Societies and Clubs

Of the few societies at Hartpury, some are difficult to join for many students because they have expensive membership fees.

If elected, I will support new societies in fundraising to reduce membership fees to make them more accessible, and give more students a chance to join.

**So, if you want
to see real
change at
Hartpury,
